

NITK RACING

BROCHURE

FORMULA BHARAT

Formula Bharat is an Indian Formula Student-style engineering design competition in which students from colleges and universities all over the country, compete with a life-size formula-style vehicle in areas of engineering design, overall cost, marketability and dynamic performance. The series replicates the global student Formula series hosted in around 11 countries per year.

Formula Bharat 2024 Highlights

BUDGET SEASON 24-25

GOALS SEASON 24-25

1

Research & Development

Development of Battery Pack & Drivetrain systems.
Development of Monocoque Chassis.

2

Exploring Autonomous Systems

Investigating opportunities in Autonomous FS vehicle development to push the boundaries of self-driving technology.

3

Establishing Vehicle Simulation Facility

Actively seeking support to establish a lab for simulation & optimization, enabling virtual testing and validation for our car to streamline development.
